During February and March, all of you that are first year students or seniors will receive e-mails requesting that you complete an online survey called The National Survey of Student Engagement (N.S.S.E.).

Please check your FGCU e-mail for these important messages!

The survey asks questions about your college experience, and the results will be used by FGCU and others to improve the quality of undergraduate education across the country.

Filling out the survey is completely voluntary, and your responses will be kept confidential. Your help is essential to the success of this important national initiative.

Thank you for your participation!
